

YouFab Global Creative Awards 2021

APPLICATION RULES

By submitting an entry to this award, entrants are agreeing to the following terms and conditions.

1. About Submissions

1-1. Submission requirements

YouFab is category-free. All works are acceptable for submission, whether they fall under the category of art, performance, architecture, or a multidisciplinary area. Products and services are also acceptable.

If the work is in its draft or prototypal stage, we will base our evaluation on the way it has been attempted and its future potential.

Works that have already been published or released are encouraged. Applications from individuals, groups, and/or businesses are permitted.

1-2. Entry period

The entry period will be from August 1st, 2021 until 12:00pm (noon) October 31st, 2021 Japan time.

Please make sure to check the time difference if you do not live in Japan.

1-3. Entrants

Anyone can apply regardless of nationality or age. Entry is open to the public whether it be individuals, groups, and/or companies.

1-4. Cost of entry

Submitting an entry is free of charge.

1-5. How to enter

Entries for the awards should be submitted online using AWRD ("Award") at <http://awrd.com>, an open creator's platform run by Loftwork Inc. Entrants will need to create their own AWRD user account (free of charge) to submit their entry. Please prepare the entry requirements listed in 4-1 and submit your entry.

1-6. Submission Language

YouFab will accept applications written in languages. However, please be aware that the judgment will be made in English so we recommend that there be an English explanation along with the submitted language. Any applications that are not in English will be translated by the YouFab committee using a free online translation tool for the judges to review.

2. About the Copyright

Copyright of the submitted works belong to the entrant. However, the entrant shall permit FabCafe and/or Loftwork Inc. to reproduce, modify and/or exhibit their works for marketing purposes without prior consent of the entrant.

3. About the Special Prize

Those submitting entries for the YouFab Awards can also submit entries for the Special Prize category of YouFab 2021. All you have to do is to check the box in the application form in order to be considered for the Special Prize.

6. About the selection process

Selection Process

The YouFab judges will proceed with the initial screening and final review based on the submission materials. They will review and decide the Grand prize, First prize, Student prize, and General prize.

The Special prize will be granted by the special prize judges. The Special Prize has a different judging criteria from the main YouFab prizes. Please check the Special Prize page on the official site for details.

7. Entry Considerations

7-1. Prohibitions

- Submissions that are deemed fraudulent are prohibited.
- Submissions must be created and completed independently. When using materials from a third party in the submission (photos, art, fonts, etc.), the entrant must seek permission to use those materials from the copyright holder(s). In the event that the entrant uses materials that infringes third-party copyrights, the submission will be excluded from the competition as soon as the infringement has been confirmed. Furthermore, the organizers and Loftwork Inc. will not be held liable in the event a third party claims right, infringements or damages against an entrant or the organizers.
- Please be aware that while applicants maintain all copyrights to their submitted works, applicants do not have rights with regard to any works that may be based on a same or similar concept to the work being submitted by the applicant. Please take this into account when you apply.
- Any actions that violate Japanese or international law are prohibited. Actions that cause physical or mental harm to a third party, actions that cause defamation to a third party, and actions that infringe on any rights of a third party are also prohibited. Furthermore, any and all actions that disrupt public order are prohibited.

7-2. Disclaimer

- Works that do not follow the requirements and submission rules laid out in the Entry Kit will not be eligible for examination.
- It is possible that no submissions are selected for awards if submissions are not deemed appropriate.
- We will not respond to inquiries from applicants regarding the selection processes or results.

7-3. Personal Information

Personal information will only be used to contact the entrant in relation to the judging or as required in the execution of the awards. Personal information will not be disclosed or shared with third parties without the prior permission of the individuals themselves, except in cases where operations require personal information to be disclosed or entrusted to a subcontractor in the course of the project operations.
